PRACTICE POLICIES

Insurance Notice

Dr. Lawrence M. Koplin is considered an **out of network provider**, not in-network, for all insurance companies except Medicare.

Scheduling Policies

A 30% non-refundable surgery deposit is due upon selecting a surgery date. The balance and all applicable fees will be due in full at the time of pre-op or a minimum of two weeks prior to surgery. Fees for RoxSan Surgery Center and anesthesia will be collected separately at the same time. Surgeries cancelled within two weeks of the procedure date will be subject to a 50% cancellation fee. Surgeries cancelled within 48 hours of surgery will not receive a refund of the surgeon's fee unless the patient is not medically cleared for surgery. There is no fee for an initial reschedule; however, any additional reschedules will incur a \$500 rescheduling fee.

Revision Policy

Healing varies from patient to patient and occasionally, a revision (touch up) procedure may be necessary and beneficial. We are committed to providing you with the best possible results. If a touch up procedure is advisable (as determined by Dr. Koplin), your cost will be limited to anesthesia and RoxSan Surgery Center fees. Planned secondary stages, new areas of liposuction, additional Natural Fat Transfer, changing the size of implants, touch-up surgery after pregnancy, weight fluctuations or injury to surgical sites are considered separate procedures and will have an additional fee.
